THE SWEET MEDICINE SUNDANCE PATH: NURTURING THE HUMAN SPIRIT

The **Sweet Medicine SunDance Path (SMSP)** promotes a spiritual practice that has evolved out of the ancient ways of the Twisted Hairs medicine men and women of Turtle Island (the Americas). Through its **world-wide network of teachers, lodges, study groups and affiliated organizations**, SMSP offers teachings, lectures, workshops, classes, ceremonial opportunities, publications and learning tools to anyone who seeks **knowledge, healing, spiritual self-development and physical mastery**.

OUR OFFERINGS

Study Groups, Lodges, Longhouses and Community Ceremonies

Life-changing ceremonies and teachings in the form of wheels and keys.

Physical Mastery

The body is intended to live 135 years. We provide programs that increase endurance and promote longevity and heightened awareness.

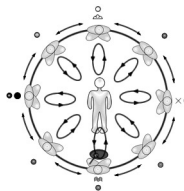

Rites of Passage Ceremonies

The Twisted Hairs lineage handed down ceremonies and rituals to teach, heal and encourage healthy growth through all life passages.

Quodoushka Workshops

Sexuality is one of the most misunderstood and misused energies today. The Quodoushka spiritual sexual teachings take us back to imagine that sex is natural, sacred and beautiful.

Complementary Healing Ways

Personal healing practices that restore balance and support both allopathic and alternative medicines. Including ceremonial alchemy that addresses the cause, not just the symptoms, of all diseases.

JOIN US - BE A PART OF CREATING A SPIRIT HOUSE OF BEAUTY

In 1986, the **Deer Tribe Metis Medicine Society** (DTMMS) was founded as a non-profit organization to preserve and protect this SMSD Twisted Hairs Lineage for future generations. We are a **stable organization with consistent growth** in numbers, programs and products. **Our growth now requires a permanent home**, one that reflects the ancient wisdom and promotes tools for our modern times.

DTMMS is an international organization that preserves and provides access to ancient teachings and time-honored ceremonies.

HOW YOU CAN HELP

We invite you to join us by investing in and co-creating the **Spirit House of Beauty**. In 2005, the second of seven years that are critical within the evolution of humanity, please help us make a large positive impact.

As Rainbow SunDance Warriors, our mission is to fight against ignorance, slavery, bigotry, racism, war, disease, dogma and superstition using the Wheels and Keys of the Sweet Medicine SunDance Path, to seed the future generations with Beauty, Power, Knowledge and Freedom.

Your contribution will make it possible for us to reach more people with the knowledge and tools this path offers to nourish the human spirit.

All donations, of many different kinds, are appreciated! With any questions, for further information, or to join our effort, please contact Karen Krauss.
